

# Growing in the Triangle of Relationship

CG Meeting: 8 Aug 2014

Prepared by: Pastor Irene

Our Upward call is more than what we do on Sundays. It continues beyond Sundays and special events (Christmas or Feasts). It includes reading and studying His word, knowing Him through His word, communing with Him, listening for His voice, walking with Him...spending time with Him AND putting to practice what is taught, instructed and directed as **a lifestyle on a daily basis; as DISCIPLES would do.**

I want to grow in my UP...**HOW DO I GET TO KNOW GOD MORE?**

Share:

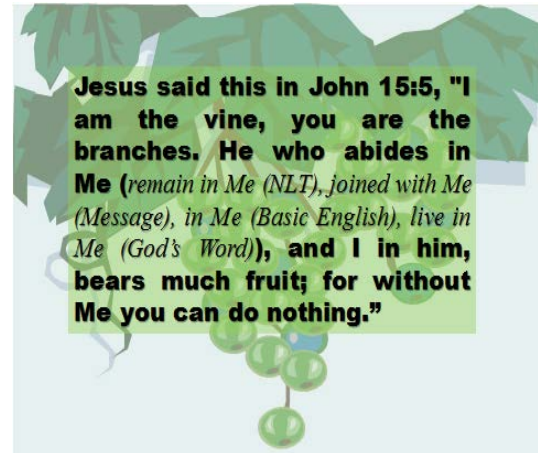

# Your personal spiritual regime in getting to know God.

# How is God like a Person whom you can get to know?

# One experience in your life that made you know God personally in a tangible way.

JESUS showed us a way that we can grow in the Triangle of Relationship; UP, IN and OUT...**By Abiding (Remain in**

**Him, Joined with Him and Live in Him) in Him.**

Discuss:

# What does it mean to ABIDE in Him in a practical way?

Tip: What does it mean to abide by your parents/landlord/school house rules? What happens when there is a breach?

**JESUS Himself grew in this Triangle of Relationship...** *Luke 2:52, "And Jesus increased in wisdom and stature (IN), and in favor with God (UP) and men (OUT)."*

He lived His life an example for us. He said: FOLLOW ME.

Question: What particular area of my life needs to change course in order to FOLLOW JESUS? *Answer this question privately, just for yourself, and ask the Lord to help you achieve it.*
