WEEK 10 : 10th APRIL 2015

Obeying God by Faith

Sister Rosey runs a ministry for kids, providing food and clothing to inner city children. She shared about how simple prayers with childlike faith bring results. There were many laugh out loud testimonies on how God provided food, clothing and even money to pay bills from unexpected sources. In all these examples, one fact stands out clearly, we have to exercise faith when it comes to obeying God. Here are some excerpts of what she said.

“Just do it in faith, don't think about it. Don't ask how, we are just going to do it, the Holy Spirit says do it.”

“And then you have to know how to hear the voice of God and as you test the waters, little by little, You put your tippy toe out there you say "is this you Lord?" “

“Faith is nothing you can figure out. Faith is something you can't philosophised You have to jump off the cliff!”

“Have you come into your resurrected life? First you must say goodbye to your old man, jump in scared out of your mind but know that when you come out the other side, it's even more beautiful cause you don't have all the junk on you and all the problems on you and you have someone who will stand with you no matter what happens.”

However, God doesn't do things without a good reason. Sister Rosey shared how she began sharing what God had provided for in her need and that **“God is doing something in my crisis so that it can become a door of hope for others”**

She also said “In faith I believe and as a result I see the fruit. I see it in amazing ways.” and

“The power of the resurrection lives in the believer who has received the Holy Spirit, don't expect it live in the one who doesn't believe or who is playing on one side of the fence and on the other. Jesus didn't ask for perfection but He asks for faith!”

Points for Discussion

How should we respond to this call to obedience by faith?

Have there been situations where we have to respond in faith? How will we react to them now?

Share a testimony on how you acted in obedience by faith.
