

that God has for us (Isaiah 43:18-19). We are going forward and our main emphasis will be discipleship and growth in stability.

- d. One of the strengths of our mandate in the future days is discipleship. God is raising up training teams that will take worship and discipleship. Discipleship being the greater emphasis. We have to grow people.
- e. People will be trained and equipped in the things of God to serve in His work.

2. HOLINESS & PURITY: There will be a mark of holiness that separates us. God will take us through a season of holiness unto the Lord, even on the pots and pans in the house. Purity, holiness, no compromise and a life that is void of those things of the spirit of the age. Purity is required for us to have end time worship or for us to see God.

LET US

PURIFY OURSELVES

FROM EVERY THING THAT CONTAMINATES BODY AND SPIRIT,
PERFECTING HOLINESS OUT OF REVERENCE FOR GOD.

— 2 CORINTHIANS 7:1 —

3. SENT TO THE NATIONS: People/teams both young and older, will go forth from this place to touch the nations with worship, with praise but it will come out of holiness.

4. ACCORDING TO PATTERN: Build according to the pattern that God has for TOD and we will see greater mighty things that God promises He will do.

5. TOD is called to PURSUE THE PRESENCE OF GOD. We are called to worship and out of this, we serve.

6. CARRIER OF HIS PRESENCE: God is looking for people that will be a carrier of His presence, a priesthood of worshippers that will worship Him in spirit and in truth. A life that has the evidence of the touch of God.

7. DEEPER LEVEL OF WORSHIP: God wants to bring us into a deeper level of worship.

INSIDE THIS ISSUE

BELIEVE IN HIS
PROPHETS AND YOU
WILL SUCCEED

BELIEVE IN HIS PROPHETS AND YOU WILL SUCCEED

When Judah was threatened by the military might of the Moabites and the Ammonites, King Jehoshaphat stirred up the people with these encouraging words, "Hear me, Judah and inhabitants of Jerusalem! Believe in the Lord your God, and you will be established; believe his prophets, and you will succeed" (2 Chron. 20:20, R.S.V.)

In our March 2018 Family Camp, prophetess Rev Marion Parkes declared many words from the Lord over the church and the people. She ministered in TOD last year and we find her prophecies over the leaders and church, accurate and sharp. We therefore take heed and pay attention to these camp prophecies for God's direction for our lives, our families and the church. We acted on points 17 and 18 on Strength of Families by organising the coming Family, Parenting & Marriage Enrichment Seminar on 11 and 12 May 2018. We acted on point 2 Holiness & Purity as the Care Group teaching materials for May and June 2018.

Read the words below slowly and carefully; meditate on them and consider their application and timing in your lives. Some apply to the church. Others are specifically for us as individuals and as a member of TOD. In whatever you do, you will indeed prosper and succeed as you listen to the voice of God's prophetess.

- 1. PHENOMENAL INCREASE IN DISCIPLESHIP** in days to come:
 - a. God has prepared us for many years and through many tears to bring us into the place where we are right now.
 - b. We are not only going to disciple but will raise other disciples who will raise other disciples.
 - c. The past has been enough to bring us to where we are now but it is not enough to take us forward. There are new things

DISCIPLE

BE ONE. MAKE ONE.

1 Jalan Usahawan 5, Kawasan Perindustrian Setapak, 53200 Kuala Lumpur, Malaysia

✉ enquiry@today.com 🌐 today.com 📍 Tabernacle of David (Kuala Lumpur)

We must never rest until everything inside us worships God.

- A. W. Tozer -

- a. that will bring healing, conviction, salvation and deliverance.
- b. where no voice can be heard, just a sound
- c. where warfare will take place
- d. where there's anointing to break yokes
- e. where there's the thickness of God's presence

8. END TIME WORSHIP: God has been preparing TOD for years for end time worship. He will release us in a dynamic way that we have never experienced before. TOD will be leaders in worship. It will be clean, holy and pure. People will fall in the presence of God because of the depth of worship.

9. SOUND FROM HEAVEN: There's a sound from heaven coming through us

- a. that will revolutionize / change the world
- b. that will herald the coming of the Lord Jesus

10. WARFARE: We are to ascend the hill of the Lord in worship but also descend to do warfare and to do the things God calls us to do. Worship and work is parallel.

11. OUT OF HIDING: God will bring people out of hiding and place them in strategic places. Some of the older ones will be fathers and mothers to the younger ones.

12. CREATIVITY: God is unlocking creativity particularly in music, in arts and in business. In business, favor and doors will be open to take you to the right people and bring the right people to you.

13. PRACTICE using the staff (Moses parted the Red Sea and guarded the sheep with the same staff). Practice, grow the tool you use often in teaching and training.

14. END TIME HARVEST: God is going to use TOD significantly to reach the end time harvest. Take the step of faith and as we go, God equips us.

15. RISKS: There are some risks coming up as a church. We have to listen to the Lord. There will be oppositions to what we are called

FROM A MUSTARD SEED...

to do. If we follow the leadership of the church, we will see the impossible become possible because God is going to create miracles; miracles that will flow out of training and flow out of evangelism. We will see people that will come in and that will go out. They will be trained up and they will see the miraculous. We are called for signs and wonders.

16. BALANCE: We are going to see signs and wonders because we have balance now unlike the past. The word is going to become deeper within us. The word together with the worship. When we have the Spirit and the Word, we have revelation. When we hear and respond to the word, it changes us and changes things in our situations, lives and nation.

17. STRENGTH OF FAMILY: There's strength of family in TOD that keeps us together. Iron sharpens iron. Common denominators to move forward – Christ and our purpose as a church.

18. FAMILIES: The Lord has really set TOD apart for this season. There are very significant things God is going to do in the days to come with families.

- a. To build the wall of Jerusalem, God gave Nehemiah a strategy where to put people.
- b. Evangelism and discipleship are keys that God is giving us to get and to make disciples. Combined with worship bringing the people into the presence of God, walls will be built and repaired.
- c. God will significantly cause the repair to come in families.
- d. Not only ones or twos but whole families will come in and will be changed.
- e. Some families will go out and repair other breaches.
- f. This is significant strategy for us as a church as we move forward.
- g. God is going to knit us together as a family. This will be our strength as a church because there is so much brokenness in the world today. God is bringing families together, the repairers of the breach to build up the walls.

19. OTHERS WILL COME: The church has been hidden in a sense in many respects but God is going to exalt us because of our heart for God and because of God's presence in our midst. He is going to cause others to come to us to know how we do what we do.

20. DNA: Worship is in TOD's DNA. Discipleship and evangelism will be in our DNA.

21. REVELATION: As we work together with the Spirit and the Word, there's deeper revelation that God is going to bring to us. Revelation will not only come from the leadership but also the body, no matter how young.

22. ACCELERATION OF MULTIPLICATION is coming:

- a. Beware when it comes because it's comfortable when we have something that is so closely knit together and dynamics will change.
- b. God is about to add to us. That adding is not to separate but to build us.
- c. Guard our hearts. Guard what we have.
- d. As God adds to us, incorporate them. God is going to bring the needy people and strong people. It will have its own dynamics but there will be cohesion.
- e. Do not outgrow or push God out in our growth by losing what we have. Keep that first love. Remember where we have come from because God is taking us somewhere.
- f. Don't lose our passion. Our passion for God is what will attract or draw people.

23. INTERRUPTION: Be willing to be interrupted. Jesus was often on the way to something important but He was willing to be interrupted. Jesus stopped for people. Stop and listen to needs around us. Follow in Jesus steps and stops.
